

Legacy

by Glaval Bus

Up to 45 Passenger Seating

The Legacy is built on the heavy-duty Freightliner S2C chassis and powered by the proven Cummins 6.7L ISB diesel engine and Allison Transmission. Built with rear air-ride suspension, the Legacy is sure to impress with stylish beauty, outstanding ride quality and rugged durability.

Whether you are looking for first-class transportation or even public shuttle service, the Legacy is just the answer. The Legacy can seat up to 45 passengers and is available with a wide variety of ADA-compliant paratransit options. Also available with rear luggage, overhead and under floor storage, the Legacy has the versatility to fit all of your transportation needs.

Unit shown with optional features
